

Town of Nichols Planning Board

February 20, 2024

Present:

Chairman Dale Kersten, Ben Hobbs, Paul Campbell, Jayne Stoltzfus, William Leonard

Town Board Representative: Brenda Fay-Pelotte, Deputy Supervisor

The Board followed up on strengthening the Decommissioning section of the Solar Law, regarding soil testing.

The Bergmann Architects Engineers Planners Sampling and Analysis Plan, and the Cornell Waste Management Institute, Guide to Soil Testing and Interpreting results were reviewed and discussed.

Result: The Board deemed the documents, with amendments to some of the language, would be of value in strengthening our law.

A draft of the new amendments to the law will be reviewed at our next meeting.
