

Town of Nichols Planning Board

March 20, 2025

Present: Benjamin Hobbs, Paul Campbell, William Leonard

Town Board Representative: Brenda Fay-Pelotte

Discussed and reviewed the upcoming 239 Review of the Solar Moratorium law, and Telecommunications law amendments.

The Planning Board fully endorses the Solar Moratorium law and is committed to upholding the amendments it has diligently developed over the past two years.

The members noted that the amendments are essential and that they will provide protection to the community when incorporated into the new law.

The board reviewed the Telecommunications law and approved the amendment to facilitate timely permission for essential public emergency systems in the Town.

Board adjourned.

The next meeting will be scheduled as necessary.
